

***How do I schedule my session?**

You'll find a "Book Now" button location on the UMC landing page. Click this link, find a time and date that works for your schedule, and provide the necessary information. Once registered, you'll receive a confirmation email. We ask that you KEEP THIS email. Keeping this link will allow you to easily reschedule or contact us in regards to any questions or changes.

***Where will my session take place?**

All sessions will be location at First United Methodist Church. If, for some reason this would change, you will be contacted immediately.

***How long will my session last?**

Sessions will take around 15-minutes, but we've allotted 20-minutes if needed.

***How much will my session cost?**

The session cost is free. The only cost to you is if you choose to order from Life Unpredictable's product selection. Please click the "Products and Pricing" button on the UMC landing page to view more details on what we have to offer.

***How do I order prints?**

Life Unpredictable will be providing three alternative methods to ordering prints that differ from the more familiar and traditional church directory ordering process. Instead of an in-person sales appointment immediately following your portrait session, you will have the option to order by paper form, through your private online gallery, or by setting up a separate sales appointment at a later date. Life Unpredictable will still, however, provide a live view of your portraits during your session should you choose to place an order at that time.

***When will I see the portraits from my session?**

Approximately 2-3 weeks following your session, Life Unpredictable will send a link to the email address you used to register for your session. This email will include a password and link to view the gallery of images from your session. This gallery will also include an option to purchase products that can be shipped directly to you or picked up at the Life Unpredictable Studio in York. If email is not accommodating to you, there is the option to set up an appointment with Life Unpredictable to view your images in our studio.

***What if I need to reschedule my session?**

Life Unpredictable is offering a number of session times to accommodate your schedule! We understand life happens and things come up. If you can't make your session, please find your confirmation email and follow the process to reschedule or cancel your session until you can find a better time! Your church wants to see your smiling face in the directory, so do your best to find a more accommodating time.
